

## **Sermon Questions**

### **1 Tim 6:12-21**

This week we discussed how we need to fight the good fight of faith. Before we are saved we are in a spiritual battle with the devil but have yet to realize that fact. Once we are saved, we learn that the devil, the world and our sinful selves attempt to limit us from God's best. The Scriptures teach that when we are on mission for Him that we are the most satisfied and He is the most glorified. We live in a world that is hostile to Jesus Christ, churches that are complacent and apathetic, and countless souls that need to hear and see a demonstration of the Spirit of God in power. As Paul concludes His letter to Timothy, he provides four commands that are essential to allow the church to bring the greatest glory to the Lord. As you listen to the message and read the study questions, consider what application the Lord wants you to make from His Word today.

Here are some notes to review from this week's sermon...
