

Living the new life involves a ...

Kingdom perspective (1)

It is easy to be consumed with and focused on the problems of this world.
Jesus Christ ascended into heaven and is seated at right hand of God the Father— a position of power over all the earth.
We need a bigger, kingdom picture, seeing life from God’s perspective, to make good decisions.

Passionate pursuit (2)

It is easy to start every day thinking about what we have to do.
Sometimes it is hard to sit still, be intentional and be focused on who God is.
Make Him and Him alone the bullseye of your heart.

Heavenly position (3)

Your life is connected with the God who is in control of everything, and He loves you!
You are hidden in Him and protected by Him. Your position determines your authority.
CHRIST is your life!

Radical promise (4)

When His life is revealed, when He comes back – everyone will know. You will share in it!
What is eternal life? Christ in you the hope of glory
