

Faithful living means...

Refusing to consider present obstacles or personal abilities.

Yielding to God's Ways and boldly declaring His Word.

Praying for God's people who do not yet have the faith to follow His ways.

Question for Discussion:

What kinds of obstacles can we typically encounter when seeking to live faithfully for the Lord?

Pastor Jeff listed five phases of unfaithfulness:

1. Become overwhelmed with the obstacles.
2. Become underwhelmed with your abilities.
3. Decide it's too difficult to do.
4. Get others to agree with you.
5. Grumble, complain and/or rebel.

Have you ever found yourself in any of these phases? What was the result?

What would it look like for you to step up amidst these obstacles like Caleb did (Num 13:30)?

Is there something you need to say? Something you need to do?

What price might we have to pay when stepping up to live faithfully (Num 14:1-10)?

Is there a price you might have to pay for stepping up? If so, what might it be?

Are there Christians obstructing what you believe to be God's way who you need to pray for?

How should you pray for them?
