

Secret sins are **NEVER** secret because your sin...

Angers the Lord and causes harm to those around you. (1-5)

Blinds you to the truth and leads to misery and confusion. (6-9)

Will always become exposed. (10-21)

Ultimately leads to punishment and death. (22-26)

Questions for Discussion:

Pastor Jeff said, "Most believers do not believe this" (point 1)
Why do you think this might be true given the testimony of Scripture?

What is the difference between confession and repentance?

Is it possible to repent of sin but not repent in your mind/heart?
What does the former look like?

What does the latter look like?

Which do you believe will have lasting results?

How can a spiritual victory become a path to spiritual disaster?

What does it look like to stay on the path to continued spiritual victory?

What are some ways people try to avoid being exposed?

Are there secret sins you have not yet repented of?
