Discussion Starters:

What areas in your life do you live like this life is all about you? How has your view of life changed from being transformed by Jesus? What temptations did you struggle with in the past, that you do not struggle with now? Or how has the temptation changed?

In what ways are you spending time with God, and then letting Him work in you to produce fruit? What kind of fruit are you producing in your life? How is your mind being transformed by the renewing of God's Word? What thoughts have been corrected by God's Word in your life lately?

In what ways do you display more courage in your life because of God at work in you? How is this attractive to the people around you? Spouse? Kids? Colleague? Neighbors?

How does Jesus having ALL authority on earth [Matthew 28:18-20], and giving it to you determine what you will do, or not do? What has God been telling you to do, or not do, that you are being passive on?

What can you change in the next seven days to make room for God to work in your life? What habits need to change, what can you adjust to let God work in you to produce more fruit in your life?
